

Know the 10 Signs

Early Detection Matters

Wednesday, June 28
6:30 p.m.

Nora Library
8625 Guilford Ave.
Indianapolis, IN 46240

Know the 10 signs.

If you or someone you know is experiencing memory loss or behavioral changes, it's time to learn the facts. Early detection of Alzheimer's disease gives you a chance to begin drug therapy, enroll in clinical studies and plan for the future. This interactive workshop features video clips of people with Alzheimer's disease.
